

## WHY CHOOSE VISIT KIVU?

1. We offer rare and distinctive experiences found nowhere else, including the world-unique Swimming Cows cultural encounter and authentic island-based adventures.
2. Our operations directly benefit local communities through fair revenue sharing, employment of local guides and boat captains, and partnerships with farmers, fishermen, and cultural groups.
3. All tours are led by trained guides and experienced boat captains with structured safety procedures and responsible tourism standards.
4. We promote eco-friendly activities such as kayaking with zero noise pollution, conservation-focused island tours, and respect for biodiversity and cultural heritage.
5. We design experiences based on duration, group size, and client objectives—ideal for FIT travelers, tour operators, NGOs, corporate groups, and educational programs.
6. With deep knowledge of Lake Kivu's ecosystems, culture, and communities, VISIT KIVU ensures meaningful interpretation—not just sightseeing.

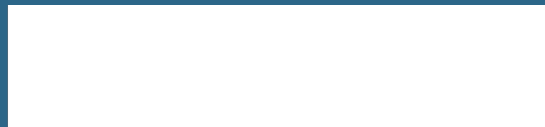

We help to connect our visitors with Nature-Heritage & Community through unique and special experiences
